

Regarding K-LOVE Radio Station:

K-Love serves my family as a GREAT christian station. As a devote local churchgoer it helps me and my family stay close to the much needed good ethics and morals. We learn so much from this station on how to be a better christian and neighbor. They teach us how to become better people of God and when there are problems there is always hope in God Almighty. As a christian we can be overcomers of anything through Jesus Christ.

There will be a great effect on the local community if K-Love is displaced by an LPFM broadcaster. In order to be a better people we have to be first great people in our community so we can go to the world and show the same great love to them. K-love teaches us this, when they talk about Christ Jesus the Greatest Educator and Savior. Jesus says love your neighbor as yourself, and we are a better community because of Him. K-love is a must for our community, it has changed lives, just like ours. When I was down, K-love was there to pick me up, I don't know what I would do without this Christ centered Radio Station. Please do not displace the K-love signal to LPFM.
